**Re: Ballantyne & Beyond Moving, Inc.
Docket No. 2015-61-T**

Dear Ms. Boyd:

We respectfully request expedited consideration of Ballantyne & Beyond Moving, Inc.'s Application to Transfer Class E Certificate No. 9784 *nunc pro tunc* and the revised rates submitted with the application. We also respectfully request that it be placed on the agenda for consideration at the Commission's meeting scheduled for April 1st.

Ballantyne & Beyond published notice of the filing of the Application in area newspapers and the deadline for filing petitions to intervene was March 23rd. No parties have intervened and opposed the application. We respectfully request that the decision be based on the Application as filed and the supplemental exhibits filed on February 19, 2015 (FMCSA Safety Measurement System Profile for Ballantyne & Beyond and FMCSA Annual Vehicle Inspection Reports), and March 10, 2015 (NC Utilities Commission's Order Approving the Sale and Transfer and U.S. Department of Transportation Certificate MC-893568-C). We believe that these documents satisfy the filing requirements of S.C. Code Regs. 103-135.

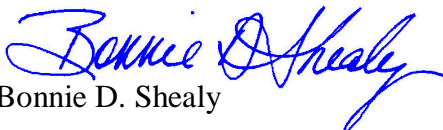

We have consulted with counsel for the SC Office of Regulatory Staff ("ORS"). ORS does not object to the request. Should the Commission need any additional information, Ballantyne & Beyond would welcome the opportunity to provide whatever information the Commission deems appropriate.

In the event that the Commission determines that it should not grant expedied review, we respectfully request that the hearing on this matter be scheduled as soon as possible. Should you need any additional information, please do not hesitate to contact me.

Very truly yours,

ROBINSON, MCFADDEN & MOORE, P.C.
